

We are advertising the role of Chief Executive of the Birmingham Children's Trust. We're doing that because, I'm really pleased to say that Andy is going to replace me as Chair, as I'm stepping away.

This is a fantastic time to be joining the Trust. As you probably already know, we've just obtained an OFSTED judgement of 'Good'. This is something we've been working really hard to achieve over 5 years. We've just got a new 10-year contract with the Council. This is an opportunity now to take the Trust to the next level.

So, we are looking for the Chief Executive to do that. So, if you're interested in this, please, I urge you to click on the link that will take you through to all the information about the job.
